Your donations make our work possible

GET GOING WITH MONEY GROWING!
BUILD ENTREPRENEURSHIP, CREATIVITY, TEAMWORK & INITIATIVE

How does the High Five Challenge work?

The challenge encourages young people to practice entrepreneurship, creativity, teamwork and initiative by raising money for North London Hospice in four simple steps:

STEP 1

Once your school/organisation has decided to get involved, we lend £5 to anyone who is taking part in the challenge.

STEP 2

They think up creative and enterprising ideas how to use their £5 to make more money.

STEP 4

The money raised by the challenge is then donated towards helping to deliver all of the vital end of life care services that North London Hospice provides.

STEP 3

They then have five weeks to use their ideas to grow the money for North London Hospice.

How can we take part?

To take part, just complete the form opposite and send it back to us. We'll send you a fundraising information pack with inspiring ways to raise funds.

Any questions?

If you have any question, please contact our Fundraising Team who'll be glad to help you – call **020 8446 2288** or email **fundraising@northlondonhospice.co.uk**

Yes – we'd love to take part in the High Five Challenge

Please send us our special fundraising pack so we can start thinking of imaginative and inspiring ways to raise funds for North London Hospice.

RETURNING YOUR FORM

Please send your completed form to North London Hospice, Fundraising Team, 47 Woodside Avenue, London N12 8TT.

From time to time we would like to send you information on our work. If you do not wish to receive information such as newsletters, appeals and details of forthcoming events via post, please let us know by contacting the fundraising department on 020 8446 2288.

About North London Hospice

North London Hospice has been caring for local people since 1984. We help those with a potentially life-limiting illness who have specialist needs. Care is provided to help them physically, emotionally and spiritually. We support our patients in making the most of their life, despite their illness. People are treated as individuals with respect shown for their personal beliefs, lifestyle and culture.

The Hospice is multi-faith and welcomes patients from all faiths and communities. Our services are provided free of charge by specially trained multi- professional teams, which include doctors, nurses, physiotherapists, social workers, counsellors and chaplains.

North London Hospice is a registered charity and not directly part of the NHS. All our care is provided free of charge. It costs more than £8 million every year to fund our services. Although we receive some government funding, we rely on donations and legacies to meet the cost of providing over two thirds of our care.
