

About Us

We are North London Hospice

The best of life, at the end of life, for everyone

About North London Hospice

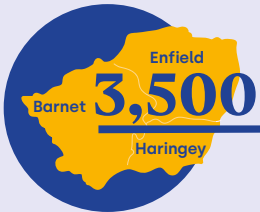

North London Hospice is a registered charity and we have been caring for local people since 1984. We welcome people from all communities from across the boroughs of Barnet, Enfield, and Haringey. In addition, we also provide some services in Camden and Islington too.

We support patients with life-limiting illnesses and care for more than 3,500 people every year. In addition to caring for our patients, we also provide support for families, friends, and carers.

Our vision is to provide the best of life, at the end of life, for everyone.

Our services are free to patients and families – we are a charity and the money we raise enables us to support everyone. Around 40% of our funding comes from the NHS, so we rely on donations to fund our exceptional care and support, which costs more than £16m a year.

We support over
3,500 people

£16m

It costs more than
£16m to run the
hospice for a year

We have more than
600 volunteers

Our **17** shops provide
vital income for our
services

Our services

-  We provide short-term specialist 24-hour care at our Inpatient Unit in Finchley, although most of our care is provided within the community by our nurses and doctors that visit people in their own homes
-  North London Hospice Enfield is the home of our Outpatient and Wellbeing Services, which offers rehabilitation, emotional support and treatment to manage symptoms and optimise quality of life
-  Our Compassionate Neighbours programme, part of our Wellbeing Services, helps people to stay connected to their communities to reduce loneliness and isolation
-  Patient and Family Support Services provide emotional, practical, social, spiritual and bereavement support and information
[Find out more about all our services on our website](#)
-  Our Learning and Development team delivers a range of educational and training programmes to staff and volunteers as well as externally supporting other organisations to deliver services in line with best practice in palliative care
-  In addition to our clinical and support services, we have 17 charity shops throughout Barnet, Enfield and Haringey which provide vital income to fund our care.

At North London Hospice we are committed to improving the experience of our patients, families and carers and work in partnership with them to identify opportunities to improve our services. We are constantly learning from the feedback that we receive to enable us to provide the best of life, at the end of life, for everyone.

How you can make a difference

The ways in which you can support us

- **Make a one-off or regular donation**

It's quick and easy – can be done online, over the phone, by post or in person

- **Leave a gift in your will**

We can also provide a free will-writing service

- **Give your time** - we really need volunteers

- **Take part in a challenge** - we have places for marathons, treks, and much more!
